General Information	It is built in 1889 and has been converted into a hotel from a private mansion in 1976. After staying closed for a while, it has been put into service in July 2015. This hotel, restored sensitively by conserving its ancient stone structure, has the feature of being a window into the past for both its customers and visitors. 11 Deluxe rooms and Suites have valuable furniture, chandeliers, wall clocks and even some oil paintings, decorated with carefully selected and extraordinary antiques. During your stay in this ancient stone walled, revitalising and magical atmosphere, you will feel yourself like both in history and home. Along with elegant rooms and suits with high ceilings and antique furniture, we carry on to service in the same sincere manner at our restaurant located in ancient backyard garden with its traditional menu. located next to the historic Kyrenia Castle, 30 meters from the sea and only couple of minutes walking distance to the shopping centres as well as to Kyrenia Harbour.
