Winter, summer, spring or autumn at the Dome individual guests really matter and will always be welcomed with a wide smile. Comfort and splendour is our aim. The well furnished lounge, with the pleasure of a winter fire and cosy intimate sitting areas lead to a spacious dining room. The Dome Bar, where new and old friends meet to enjoy a cocktail and watch the sun go down to the gentle lilt of the piano, completes the pleasure of the day. There are three swimming pools at the Hotel one is children`s shallow pool. Spacious sun decks with bar service cover much of the peninsula surrounded by the blue Mediterranean water. Just a short walk from the Dome Hotel you will discover what is possibly the most picturesque harbour in the Mediterranean, guarded by the crusader castle.
