<b>General Information</b>	Aphrodite Beach Hotel it is a small family owned hotel, located 500 m from the one of the most beautiful and serene place in Cyprus, the Akamas Peninsula National Park, in the North West of Cyprus and about 40 km from Paphos. You can enjoy the long remote beach, as the hotel is the last hotel before the Akamas Natural Park. The Aphrodite Beach Hotel is the ideal location for people looking for a warm and peaceful place where it is all about the guests and a treat for their souls and hearts. The surrounding nature is a big part of the food for souls as it is very pure. It is a place where the clear turquoise sea, meets the strong energy of the hills and the rocks of the Akamas National Park. The uniqueness of the Akamas is due not only to the indisputable charm of the natural landscape, perfect for walks, bicycle rides, bird- watching, flora, painting, but also to its cultural and mythological wealth. The small fishermen harbour of Latchi it is situated only 3 km away from the hotel. Latsi/Latchi with its coastal boardwalk is the picturesque harbour of Polis, known throughout Cyprus for its fresh fish. In the past it served as a small port for shipping carobs. The old stone carob warehouses have been converted into restaurants, fish taverns and places for recreation.
